

Hydrogen and Fuel Cells - Powering the Future

The 15th International Hydrogen and Fuel Cell Conference

19th March 2019 · NEC Birmingham UK

Sponsorship Opportunities

We are looking for leading companies in the Hydrogen and Fuel Cell sector to support the 2019 conference. After an extremely successful 2018 event with a **25%** increase in registrations and **88%** rating the event **Excellent** or **Very Good** we have taken the exciting decision to move the event to a larger space to accommodate the growing interest in this sector.

Main Sponsor - the main sponsor will get the opportunity to speak in the keynote session, invite 5 guests to the conference and have their logo included in the marketing materials and social media campaigns - **£3,000**

Workshop Sponsor – the workshop sponsor will have the opportunity to take the main speaking position in the workshop, invite 2 guests to the conference and have their logo included in the marketing and social media campaigns - **£1,000**

Pre-conference Drinks Reception Sponsor – this gives the sponsor the opportunity to brand the drinks reception with their marketing materials and address the guests. Their logo will also be included in the marketing and social media campaigns for the event - **£500**

Exhibitor – including 2 delegate passes, space for 3 pop ups or standard curved stand with table, inclusion to Exhibitors guide & reduced prices for additional delegates **£700**

Vehicle Placement - including 2 delegate passes **£400**
