

Solar for Schools

We are on a mission to inspire the future generation in becoming more sustainable, through the solar power we install.

Who we are

A growing family. 😊

Now 20 people on UK Team

A diverse, committed and caring team of individuals.

Community Benefit Society Ltd. solar for schools

Archbishop Holgate, built in September, is the largest system we have completed to date at: 460.1kW (plus existing system)

Ethical Procurement

"In moving forward with our work supporting schools across the UK, we remain committed to maximising decarbonisation and increasing the benefits produced by our work. We are therefore offering schools the opportunity to have European and US manufactured solar modules sourced in their projects."

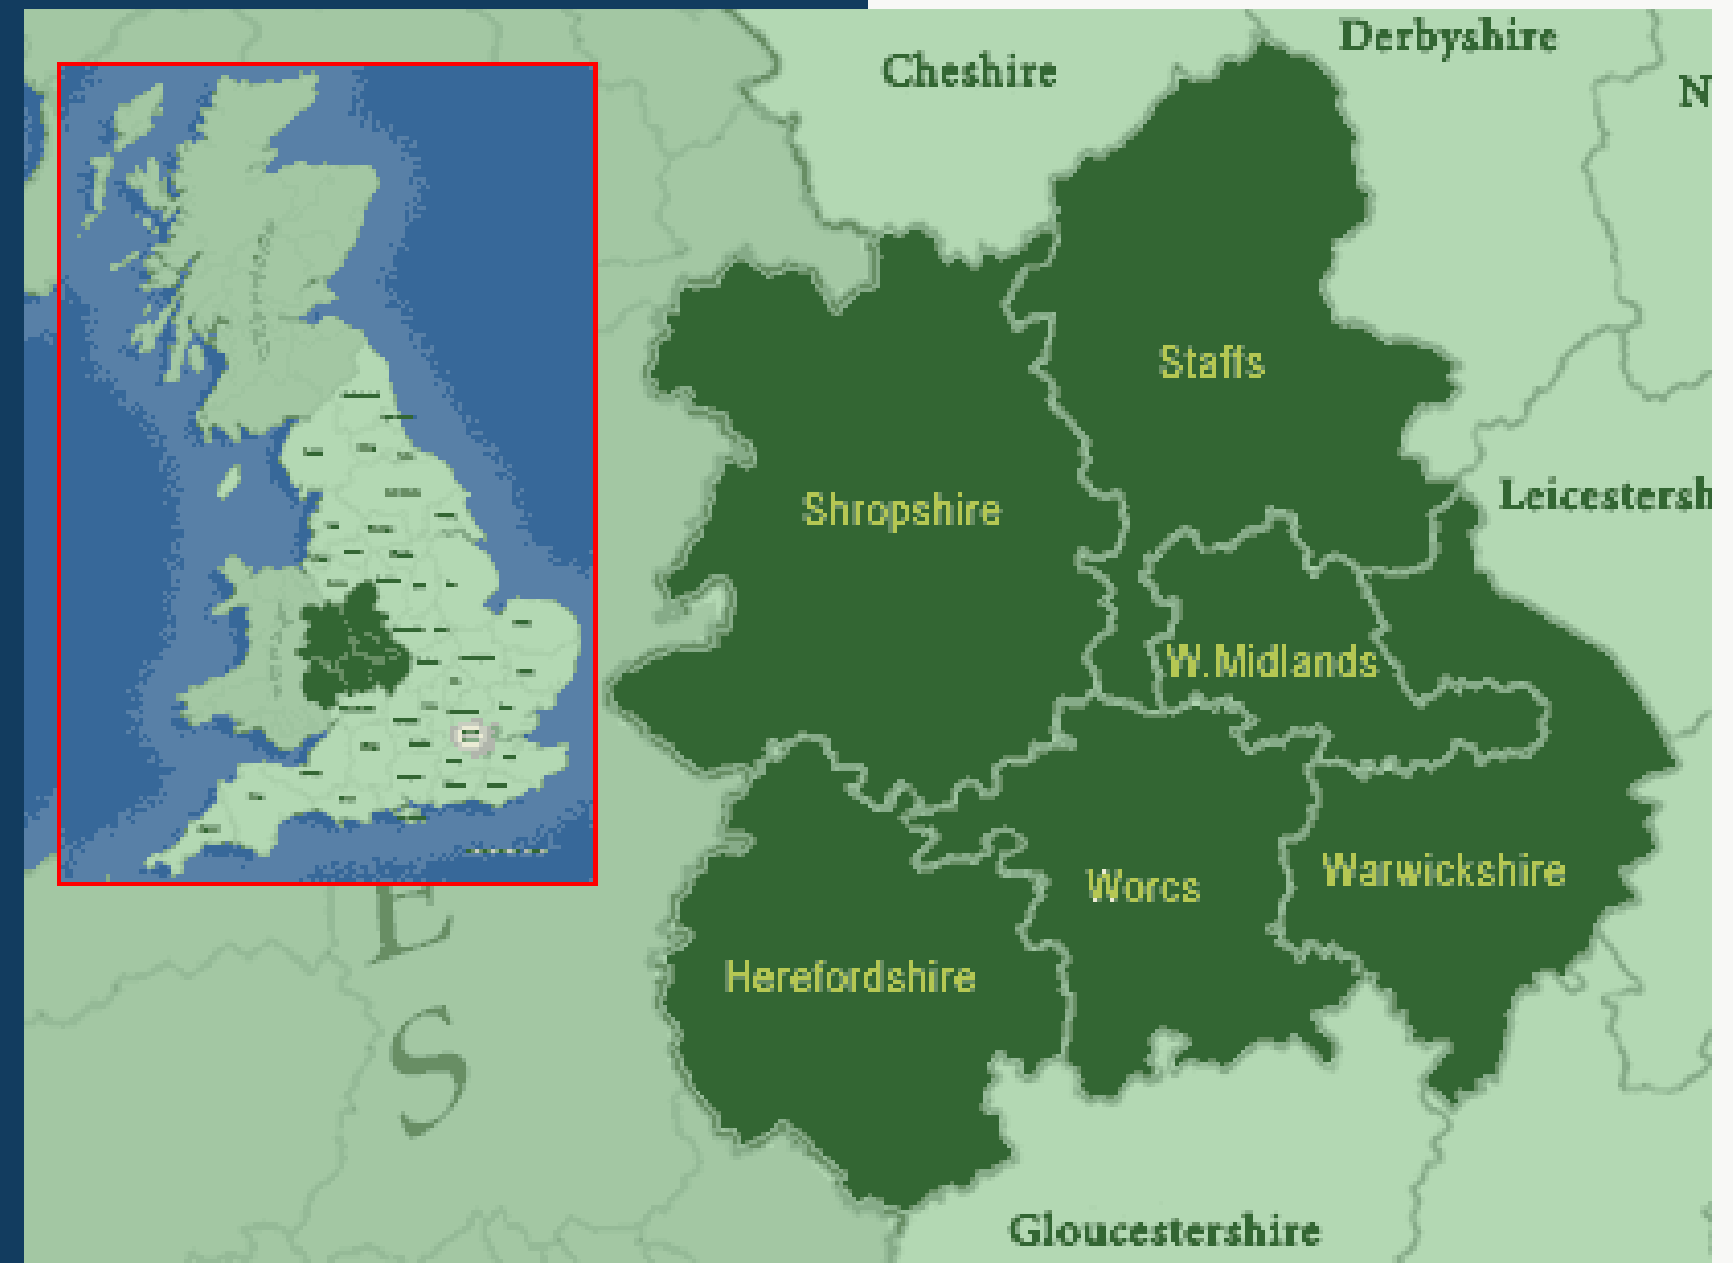

Shannon Jackson, Solar for Schools

Local Potential

3000 WM Maintained Schools

- ❖ 170,000 MWh (Mega Watt Hours)
- ❖ Power 45,000 homes per year
- ❖ Educate over one million children
- ❖ Save 60,000 Metric tons Carbon in year one!
- ❖ Grow 1 million tree seedlings for 10 years

Shireland CAT – West Brom & Wednesbury

- ❖ 10 Schools
- ❖ 1 MWh (Mega Watt Hours)
- ❖ Educate over one million children
- ❖ Save 60,000 Metric tons Carbon in year one!
- ❖ Grow 1 million tree seedlings for 10 years
